new bulk-trash schedule and regulations

City of North Miami Beach

NMB

Now More Beautiful

*Now
Monthly
Bulk trash
collection*

in an effort to keep the streets and alleyways of North Miami Beach Now More Beautiful, NMB's Solid Waste Division has modified bulk-trash pickup services. Beginning **October 1, 2007**, bulk trash will be picked up **once per month** in each neighborhood.

Please consult the map and schedule to determine your new bulk-trash pickup day.

What's the Difference Between **trash** and **garbage**?

Trash or Bulk Trash: includes large bulky items such as yard waste and furniture.

Garbage: includes household waste such as waste paper, plastic packaging and cans, food scraps and other loose items. These are the items you place in your 95-gallon container or commercial dumpster for our garbage collection crews.

Your garbage collection schedule will not change.

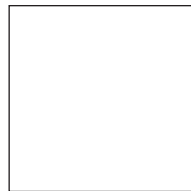

North Miami Beach Bulk Trash Regulations

As you place your bulk trash out for collection, keep in mind:

- Bulk trash is picked up once a month on designated days in each zone. Please refer to the enclosed map for your area's pickup day.
- Bulk trash is limited to no more than one truckload per household.
- Trash piles cannot be placed out more than 2 days (48 hours) before your scheduled pickup day.
- Bag yard clippings and leaves. These items should be placed in a separate pile from other bulk-trash items. Limbs should be cut into lengths of 5 feet or less.

solid waste division

- If you have street pickup, place your bulk trash on the swale. If you have alley pickup, place your bulk trash at the rear of your property. *Do not block the street, sidewalk or alley with your trash pile.*
- Without blocking the street, sidewalk or alley, place your bulk trash as far as possible from fencing, utility poles, meters, vehicles and your garbage can. North Miami Beach is not responsible for property damage resulting from improper trash placement.

acceptable Bulk Trash

Boxes, furniture, general household debris, yard clippings, tree trimmings, leaves

unacceptable Bulk Trash

Dirt or sod, household chemicals, paint, toxic or flammable materials, motor oil, tires, vehicles, motors, motorcycles, boats, trailers

Construction and remodeling debris—the property owner must dispose of construction materials. Call the **Miami-Dade County Department of Solid Waste Management at 305-594-1500** for additional information. If a landscape or construction contractor is working on your property, then the contractor is responsible for disposing of the materials. When hiring a contractor, discuss ahead of time the responsibility for discarding the materials.

To dispose of household chemicals and paint products, call **Miami-Dade County at 305-597-1768**.

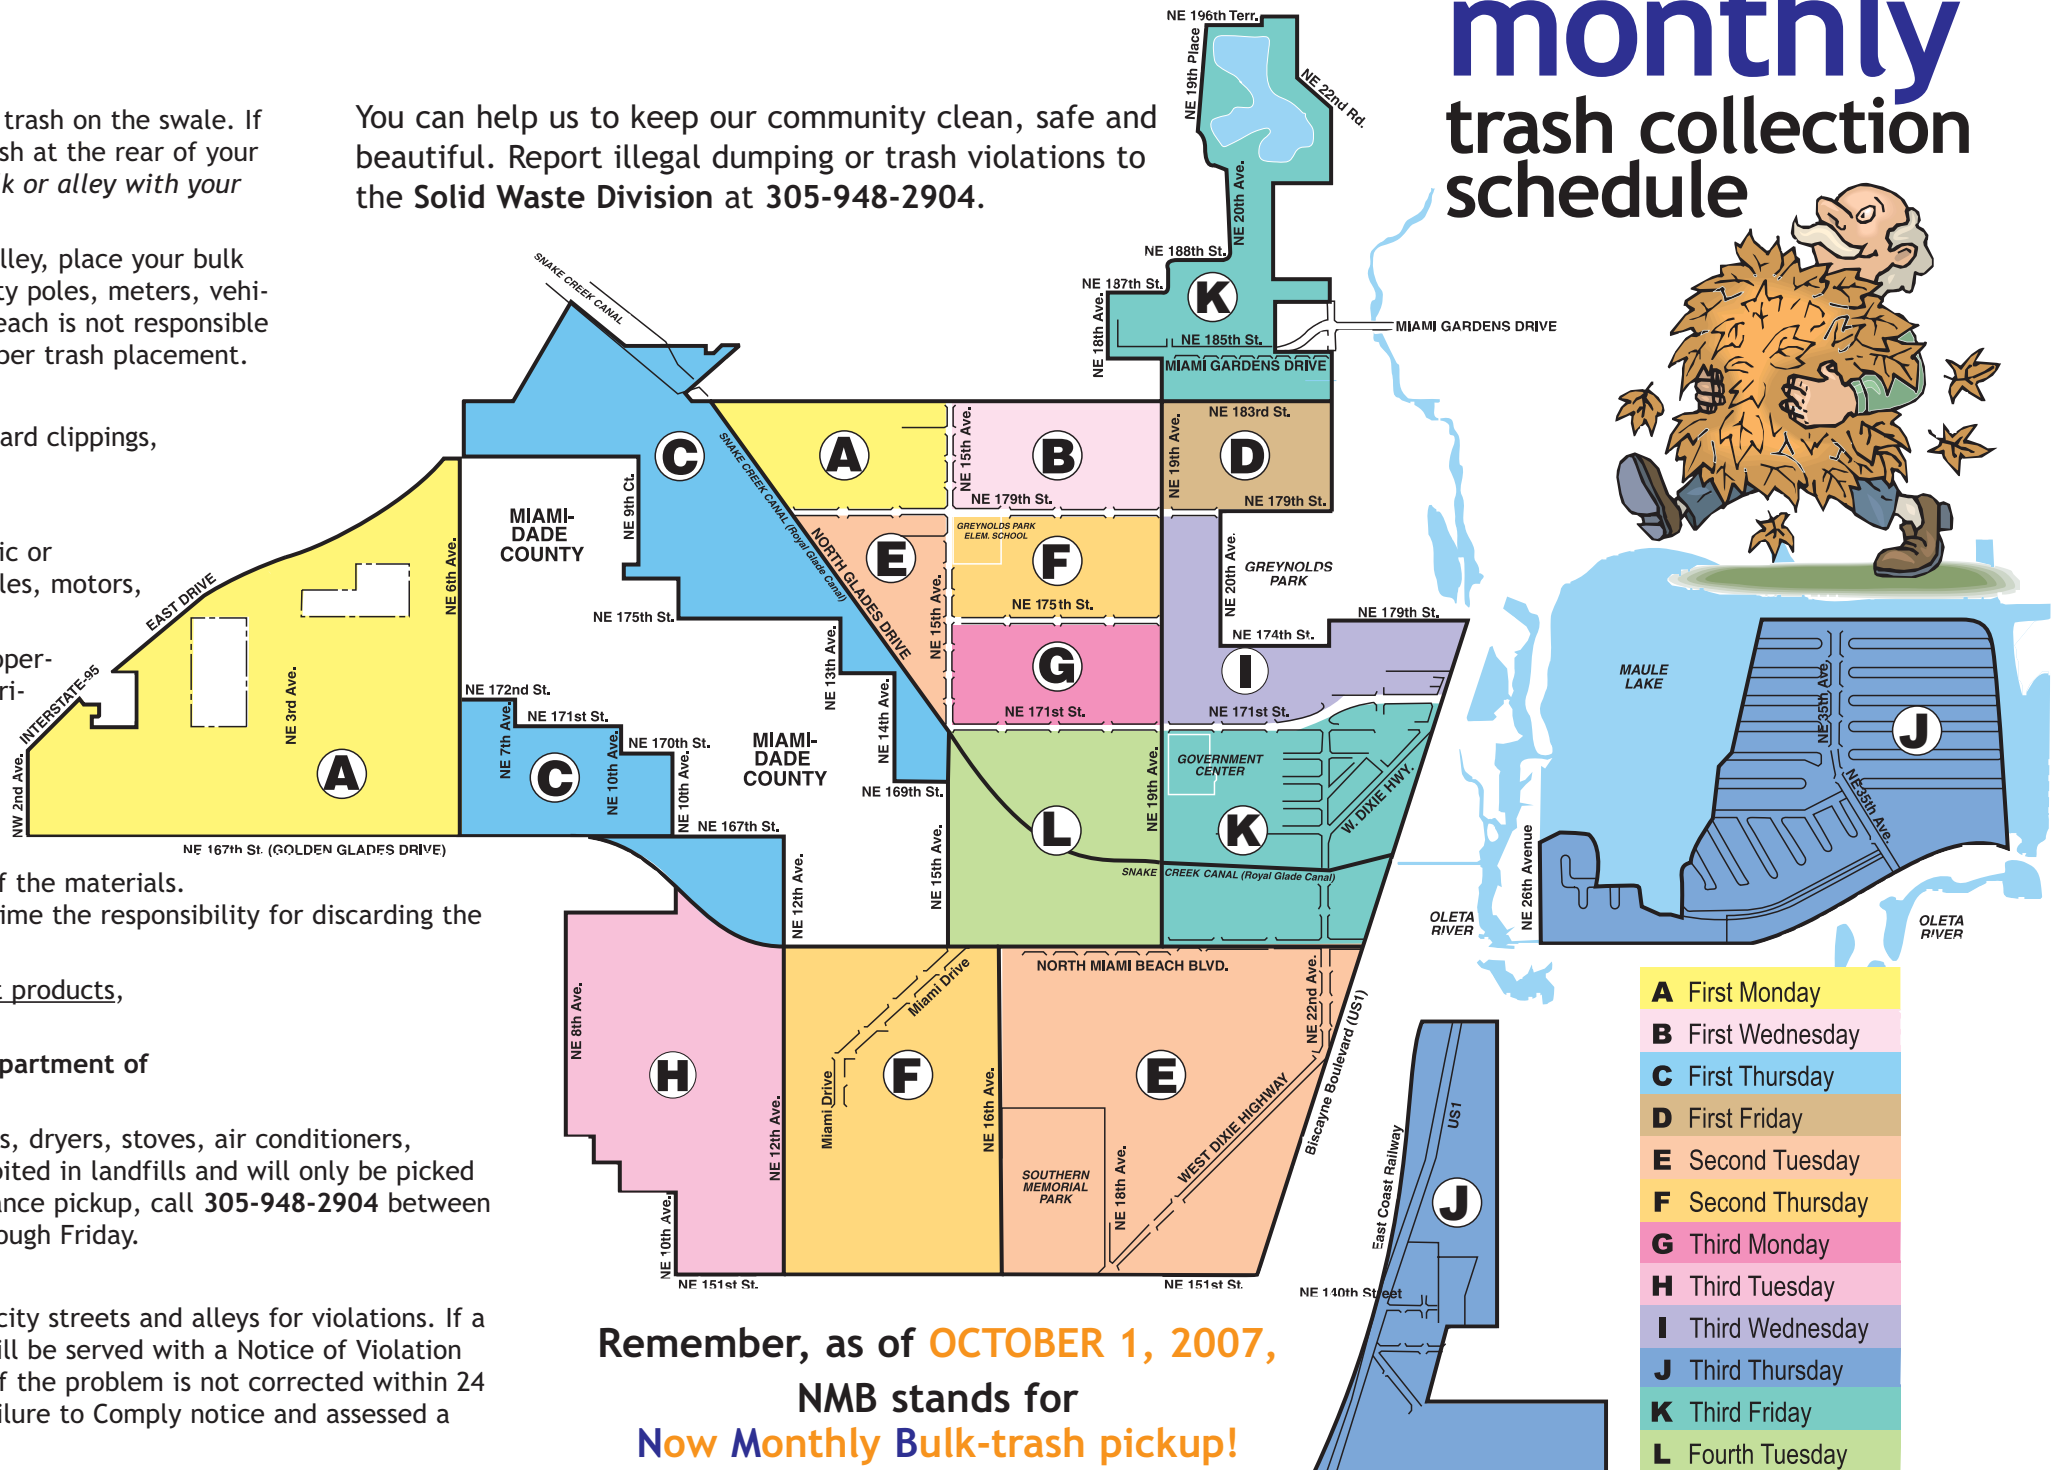

For oil product disposal, call the **Florida Department of Environmental Services at 800-741-4337**.

Household appliances—refrigerators, washers, dryers, stoves, air conditioners, microwaves, water heaters, etc., are prohibited in landfills and will only be picked up by special request. To schedule an appliance pickup, call **305-948-2904** between the hours of 8 a.m. and 5 p.m., Monday through Friday.

Bulk Trash violations

Code compliance officers regularly canvass city streets and alleys for violations. If a trash pile is set out illegally, the resident will be served with a Notice of Violation and have 24 hours to correct the problem. If the problem is not corrected within 24 hours, the resident will be served with a Failure to Comply notice and assessed a special collection fee.

You can help us to keep our community clean, safe and beautiful. Report illegal dumping or trash violations to the Solid Waste Division at **305-948-2904**.

monthly trash collection schedule

Remember, as of **OCTOBER 1, 2007**,
NMB stands for
Now Monthly Bulk-trash pickup!
